reading processes, lexical reading/spelling strategy association; word recognition/spelling tasks; Australian English-speaking undergradu-

reading processes, minimalist hypothesis weaknesses, alternative framework suggestion; 9410264

reading processes/metacognition development; empirical data; 2nd/4th/6th/8th graders, adults; 9400653

reading processes/practices, literate activity beliefs development, biology knowledge/written discourse relationship; longitudinal case study; female college student; 9402632

reading processes/short-term memory task relationship; tests; primary school children; 9410258

reading processing strategies, first-/second-language differences; em-pirical data; English-speaking French learners mean age 18.5, French-speaking English learners mean age 22.5; 9402428

reading research, positron emission tomography technology, brain imaging/activity changes; 9400157

reading style differences; tests; Chapter 1 remedial/average reading middle school students; 9404766

reading time/recall, propositionally dense sentences; age; empirical data; younger/older adults; 9410266

reading-disabled adults' written language processing difficulties, visual/semantic/phonological processing skills; neuropsychological test battery; 9403827

reading-writing/cohesion-coherence correlations; Brazilian 3rd graders; 9400696

reading/writing process instructional strategies, authentic talk/crosscultural schemata incorporation; 9404585

reading/writing process, orthographic/phonological/working memory subprocesses relationship; tests; 4th-6th graders; 9407528

reading/writing relationship, Catholic U of Rio Grande do Sul research/courses; 9404758

resume reading, indirect speech act inferences; interviews; professional resume readers; 9401100

rewriting/reading relationship; empirical data; Brazilian undergraduates; 9404737

SAIL (Students Achieving Independent Learning), reading comprehension strategies instruction program development, Maryland public schools: 9404685

science prose comprehension/retention; self-questioning strategy use; tests; Educational Opportunity Program college students; 9402641 scientific text summary writing, critical reading reflection, Brazilian undergraduates; 9404738

second-language reading instruction, ACTIVE pedagogical framework; 9407050

second-language reading mental representations, text structure proper-ties' role; empirical data; English as a second language learners; 9400416

second-language reading processes; empirical data; native/English as a second language speakers; 9404775

second-language reading research voids; 9404509

second-language reading, bottom-up vs top-down process, experimental data survey, methodological conclusions, comments; 9404293

sentence inference/interpretation, self-paced moving window text read-ing vs eye movement measurements; experiments; 9407554

sentential/discourse meaning levels, semantic acceptability judgment; experiments; average/good college readers; 9403966

silent reading processes, phonological/semantic information role; empirical data; 9402644

situation model/reading comprehension, expository text; prior knowledge, semantic memory; think-out-loud protocals; 7th graders;

slips of tongue humor, reader's role, S. Freud's subconscious desire theory application; 9408293

small-display-space message comprehension; display format; reading tasks; adults; 9407549

social differences/reading comprehension, social identity-story inter-pretation relationship; think-aloud protocols, teacher/student inter-actions; reading teacher/4th-grade student; 9404668

Spanish medieval Latinate texts, Hispano-Romance writing system/ reading evidence; 9408896

student-to-student classroom communication facilitation, critical read-ing skills encouragement; 9406214

summary writing/reading, metacognitive skills/control; protocols; Argentinian undergraduates; 9400024

syntactic prominence effects, discourse processes; text meaning; experiments; undergraduates; 9400035

tactile-kinaesthetic treatment rationale/efficacy, alexia patient; multi-ple-baseline design; 67-year-old male; 9406739

technical readers' performance; text coherence cues presence/absence; empirical data; 9404770 text coherence/episodic memory organization relationship, grammar-/

lexicon-based processing channels; 9403090 text comprehension processes, mental images role; empirical data; 9404760

text interpretation negotiation, student-led discussions role; 9406215

text processing; familiarization, reading unit/content types; experi-ment; Hindi-speaking Indian adults; 9410265

text reading preparation, student focus enhancement techniques;

text recall, good/poor child/adult readers; connectives presence/lack; empirical data; children aged 8-10, adults; 9404049

Textbook Awareness & Performance Profile as diagnostic tool, text-book use ability; 9402647

therapeutic reading, adults, bibliotherapy framework; interviews; Americans aged 26-54; 9404649

topic shift processing; sentence reading times; adults, 5th graders; 9404740

translation reading process; empirical data; trainee translators, graduate English students, graduate psychology students; 9400750

translation, reading/writing skills importance; empirical data; Brazilian undergraduates; 9404905

whole language major tenets evaluation/effectiveness; 9402211 within-word letter order, reading acquisition/difficulties role; empirical data; French elementary school students; 9400629

word perception/misperception; context; experiments; 9407559 word recognition, reading comprehension; context effects; oral reading tasks; good/poor 3rd-grade readers'; 9407551

word retrieval/reading proficiency; lexical class; tests; normal/ impaired readers aged 8-12; 9400621

working memory, individual differences; short-term memory, reading comprehension ability; experiments; skilled/learning-disbled readers, grades 4-7; 9400648

writing/reading/talking processing mechanism; modality; experiments; 4th graders, undergraduates; 9405476

Reading Rate

Brazilian Portuguese word stress phonetic characterization; 9411800 character strings reading rate, left-to-right CRT movement; number of characters; experiments; undergraduates; 9402627

elliptical coordination processing models evaluation, reduction vs com-position approaches; gapping/extraction direction/parallelism; ex-periments; German-speaking university students; 9400031

Hebrew/English reading speed/comprehension; orthography; multiple-choice comprehension questions; native Hebrew/English adult speakers; 9404876

Japanese gapless/regular relative clause processing, verb information use/empty category cost; experiment; young adult Japanese speakers; 9409589

older adults' reading difficulty causes; text complexity variations; com-prehension/reading rate scores; adults aged 62-90, college students; 9404743

oral reading interventions comparison, reading rate; fast/slow rate listening preview; reading accuracy measures; learning-disabled junior/senior high school students; 9403836

orthographic consistency-reading model accounts, grapheme-phoneme conversion/direct recognition strategies; English/German orthography; word recognition, reading rate/error scores, reading strategies comparison; English/Austrian children aged 7-9; 9404772

proofreading accuracy, reading rate/error detection; mono-/vs proportionally spaced typefaces; empirical data; undergraduates; 9407530 reading aloud/spontaneous speech comparisons, intonational patterns, discourse analysis; 9401005

reading comprehension/strategies, text reading time/practice; teacher-student interactions, personal interpretations; 9404655

reading comprehension/times; test anxiety; Test Anxiety Inventory; male/female undergraduates; 9400615

reading fluency/comprehension; repeated readings, nonrepetitive strategies; empirical data; below-grade-level reading 6th-grade Chapter I students; 9402633

reading problems diagnostic theory/procedure presentation, computer-based assessment system validity; experiments; nondisabled elemen-tary students, dyslexic/learning-disabled/nondisabled college stu-dents; 9409460

reading process response time data comparison, componential theory support; 9407548

reading process, narrative action vs character experience focus; scale ratings, reading time measures; undergraduates; 9410237

reading speed enhancement; computer-based program versions; comprehension analysis; undergraduates; 9410191

reading time/recall, propositionally dense sentences; age; empirical data; younger/older adults; 9410266

reading-disabled/dyslexic student word-reading research review, word reading speed measurement recommendations; 9409448

recall/recognition, Trail Making Test Part B performance; reading speed; tests; university students; 9400624

second-language reading instruction, ACTIVE pedagogical framework; 9407050

sentence inference/interpretation, self-paced moving window text reading vs eye movement measurements; experiments; 9407554

word incremental reading technique evaluation, reading times; struc-tural variables/verb placement/ellipsis/case parallelism; experi-ments; German-speaking college students; 9404764

word recognition, reading rate/letter size relationship, elderly readers; 9407532

Reading Readiness

beginning reading skill development; letter-naming training; tests; 1st graders; 9410170

children's literacy readiness, home literacy environment relationship; stepwise multiple regression analysis; children, parents; 9407471

children's vocabulary/story comprehension growth; teacher's book reading; tests; low-income preschool children; 9407468

emergent literacy prediction, mother-child conversational interactions; comprehensive literacy assessment; longitudinal study; 9410173 interactive oral language environment; discourse analysis; precocious reading kindergartners, parents; 9407467

kindergartners' developmental reading progression; reading in environmental context vs standard manuscript; empirical data; 9404631

literacy development, young children, parent-teacher-child communi-cation importance; 9402561

literacy emergence, less-advantaged children, instruction suggestions; 9404648

literacy skill, home literacy relationship; questionnaires, interviews; 1st graders, parents; 9404629

phonemic awareness development, beginning reading skills facilitation methods: 9404633

print concept development; Sesame Street Preschool Education Initiative; tests; day care students; 9400082

print/story structure concepts; Headstart program; tests; children; 9410168

reading readiness/parental support relationship; tests; 1st graders; 9407473

reading readiness/phonological awareness, Down's syndrome/dyslexic children data reviewed; 9400173

reading readiness; prekindergarten/Head Start program; tests; at-risk 4-year-olds; 9404630

rhyme-syllable sensitivity/phonemic awareness relationship; longitudi-nal studies; prereading children; 9409737

teachers' storytelling influence, young children's literacy learning; in-terviews, videos, written records, classroom observations; 9402559

young children's emergent reading, pretend reading influence, holistic activities use; observation; Head Start children; 9404654

Reading Strategies

analogical reasoning strategies, reading disability subtype relationship; tests; disabled/nondisabled readers; 9400639

arithmetic problem solving; reading strategies use; experiments; 9400646

at-risk students' remediation, theory-based supplemental reading pro-gram SAIL (Student Achieving Independent Learning) cognitive learning strategy; 9402614

basal readers/whole language instruction comparisons; reading strategies, self-motivated behaviors; literacy tasks; 1st graders; 9400564

beginning reading instruction, whole vs mixed whole word-phonological teaching method effects; tests; children aged 4:6-5:6; 9407563

bilinguals' reading strategy use; reading time, comprehension measurements; English/Spanish biliterate 3rd/4th graders; 9400490

child classroom reading instruction, cooperative learning techniques; 9407525

children's joint book reading/storytelling, monologue vs dialogue reading styles; observations; children aged 3-5; 9408931
